The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

This program involves walking tours of up to two hours.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Days of features are interchangeable.

City located hotels often have smaller size rooms and air conditioning is not always available.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability. Triple rooms and adjoining rooms are not typical in London hotels and may not be available.

London is mostly cashless on public transport, so it is recommended to bring a suitable bank card for transactions. American Express is not widely accepted in London.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Experience It! Blenheim Palace

Discover the splendid Baroque style home of Blenheim Palace during Christmastime. This was the birthplace of one of Britain's greatest leaders, Sir Winston Churchill, and is truly magnificent. During the holiday season it shines bright with the spirit of Christmas. The ambiance is festive and the décor glitters with gold. The elegant halls are adorned with Christmas trees and ornate decorations while the glow of the lit fireplaces illuminate the rooms. Behold the family dining hall, with the table dressed with the holiday silver, crystal and china and adorned with seasonal flowers and ribbons. The courtyard and grounds are turned into an English countryside winter wonderland. As you meander through the palace and courtyards, you will be awed by the grandeur and touched by the spirit of the season. With an included Christmas Afternoon Tea, you will enjoy the foods of Lords & Ladies.
