The Gateway Arch - Visit St. Louis' iconic Gateway Arch. Discover amazing views from the top – at 630 feet. Explore more throughout the Jefferson National Expansion Memorial. Great monuments inspire you to explore new heights. Precious few take you there. The unique tram will lift you 630 feet up to the top of the tallest monument in the United States.

Wonders of Wildlife National Museum & Aquarium - Visit the Largest Immersive Wildlife Attraction in the World and experience it in a whole new way with Sea of Lights Enchanted Christmas! Immerse yourself in a dazzling journey filled with brilliant lights, festive sounds, and interactive multimedia projections that transform the entire aquarium into a glowing conservation wonderland!

The Titanic Museum - The Titanic Museum Attraction is self-guided, interactive museum with over 400 artifacts valued at over 4 million dollars bringing history to life. An audio guide is included to enhance your experience. The museum is owned by John Joslyn, who was part of the 1987 undersea expedition to explore the ship's remains. This year the museum pays tribute to the 135 children (age 9 weeks to 15 years) that were on board the maiden voyage.

Silver Dollar City - From heartwarming Broadway-style musicals to live bands and interactive experiences, a state-of-the-art 8 story animated Christmas tree surrounded by over 6.5 million lights, and Rudolph's Holly Jolly Christmas Light Display An Old Time Christmas is the perfect place to get you into the holiday spirit!

The Texas Tenors - Since appearing on America's Got Talent in 2009, The Texas Tenors have performed over 1,600 concerts, released 4 Studio Albums, 2 PBS Specials, 4 DVD's, multiple singles and a children's book that have earned them impressive recognition including 3 Emmy Awards. Now see them live in concert in Branson.

Ralph Foster Museum - Located on the campus of the College of the Ozarks, this museum grew from humble beginnings in the 1920's to become one of the Midwest's foremost institutions of historical preservation. The primary focus of the museum is to collect, preserve, interpret and exhibit items relating to the Ozarks region. You might even spot the original vehicle used in the television series "The Beverly Hillbillies."

The Miracle of Christmas- This holiday season, travel back in time to Bethlehem as the original Christmas story unfolds all around you. Journey alongside Mary and Joseph, a flock of surprised shepherds, and three wisemen—along with their camels! There may be no room at the inn, but God has a lowly stable prepared as the angels announce the coming of the Messiah! Experience MIRACLE OF CHRISTMAS as it comes to life on stage with massive sets and live animals in this cherished holiday production from Sight & Sound Theatres.

Yakov Smirnoff - There ought to be a caution sign as you enter Yakov's Theatre in Branson. It should read "Warning! Hold on to your seat 'cause this guy is about to blow you away with dynamite comedy!" This 'guy' of course is known world wide as "the famous Russian Comedian," Yakov Smirnoff. Fresh from touring the world and with plenty of new material from politics Yakov says, "It's time to Make America Laugh Again!" Yakov delivers huge laughs and funny lines while sharing unique insights into life in these United States, goes "From Red to Redneck," gives a heart-felt salute to Lady Liberty, and more. When Yakov says, "What a Country!" You'll feel like standing and cheering for the Red, White and Blue! Yakov adds a Christmas Celebration Russian style with dancing, noisemakers and lots of fun.

Branson's Christmas Wonderland - No yuletide trip to Branson would be complete without seeing Branson's Christmas Wonderland, one of Branson's largest holiday productions. A sparkling cast of singers and dancers takes you on an unforgettable and magical sleigh ride to a grand Christmas extravaganza. Don't miss this perennial favorite, which rings in the spirit of the Christmas season with high-energy dance, elaborate costumes, beautiful scenery, gorgeous production numbers and the highest-kicking chorus girls this side of the North Pole!

The Petersen's - Tap your feet to the beat with the Petersen Family Bluegrass Band for a talented, family-friendly music show performance, honoring God and country. In 2007, after their father, Jon Petersen, retired from the United States Air Force, the family joined the Branson stage and they appreciate Branson for its love of God, country, and acoustic music. Join The Petersen Family, including children, Ellen, Katie, Julianne, and Matthew, for an inspiring, patriotic performance! They work together as a fantastic team but still demonstrate each of their unique styles and gifts in a fun-filled, family show.

Hot Rods & High Heels - Take a trip back to the good 'ol days with one of Branson's most popular shows, Hot Rods & High Heels! Be transported back to a time when poodle skirts and soda shops were all the rage. This show is perfect to take a classic trip down memory lane! You'll be impressed by the stunning costumes, fun dance routines and toe-tapping tunes.
